**OLIVE**

Leaders in  
learning technology

Serving more than 140 Million  
users across the globe.

Olive Group is a global EdTech company helping organisations to digitally transform their Training, Communication and Recruitment processes. We deliver a perfect blend of education and technology that enables learning and ensures long-term growth for businesses.

We provide practical and modern learning solutions to empower enterprises and edupreneurs, irrespective of sector and scale.

With Microsoft Teams partnership, Olive's VLE Platform has more than 140 Million users worldwide.

Remote learning was a necessary response to an immediate crisis, but the future of education goes beyond video conferencing platforms and temporary solutions. Olive's Hybrid learning solution is an inclusive blend of off-campus and in-person learning, built on thoughtfully planned infrastructure— a solution accelerated by the crisis, but it's here to stay.

Ubi is a part of Olive Group .We offer a state-of-the-art training infrastructure at our Technopark campus, Trivandrum.

## Our Values

1

### Effective & Efficient Work

We believe in the transformative power of knowledge and assist businesses to grow by enabling advancements in goal-oriented training and education.

2

### Pursuit of Knowledge

We're continuous learners. We might be the experts, but we believe that there is always more to learn. Our healthy curiosity fuels our unique solutions and unlocks new outcomes.

3

### Lasting Relations

We value human connection. The relationships we build shape us, support us, help us to stay focused and work tirelessly for what we believe in.

# Who are we & what do we do

Ubi is a part of Olive Group .We offer a state-of-the-art training infrastructure at our Technopark campus, Trivandrum.

We are on a mission to deliver 'career-oriented educational training' in design and animation. Our flagship long-term certificate course designed for the eLearning and Entertainment industries is the **International Expert Programme** in Applied Motion Graphics. We also offer other short-term courses in Graphic Designing, Digital Editing, and VR Technology.

**IE Programs** are audited and certified by Olive's Industry standard metrics. Olive is a partner to many of the global accreditation and auditing agencies like NOCN of European Union .
